

LES MILLS BODY PUMP Body Pump is a barbell inspired workout for anyone looking to build strength, shape and tone their body while increasing their fitness level with a full body workout.

CYCLE A fantastic freestyle workout building your endurance and providing great cardiovascular training for any fitness level.

CYCLE EXPRESS (30min) Are you time poor? Do you only have a lunch break to fit your work out in? Then cycle express might be for you. Getting the same great benefits as our 45min format in 30min.

BOXING The king of stress release using boxing techniques, combos to help develop core strength endurance and co-ordination while throwing punches.

CYCLE/CARDIO A great mix between lower and upper body to increase the calorie burn with 20min Cycle and 20min of Strength Based Cardio followed by 5min Cool down.

ATHLETIC High intensity workout using athletic movement with Dumbbells, Barbells, Kettlebells, Sled, Battle Ropes and much more to increase strength, speed and agility while keeping you in the fat burning state.

MET-CON Using functional weights-based exercise mixed with your gymnastic, running/rowing movement to get your heart rate to its maximum potential.

FAT BURNER This fun class will get your blood pumping. Low impact options for a safe effective workout for all levels of fitness.

TABATA An interval training workout based on 20 seconds of maximum effort, followed by 10 seconds of rest for 4 minutes at a time.

INSANE Want to be challenged? Insane is a high intensity body weight class working every muscle in the body to the individuals maximum capacity.

STRONG This class will see you working with a structured strength program on the gym floor using barbells, dumbbells and machines to not only increase strength but improve posture and stability!

MATURE MOVERS (50+) A gentle low impact class designed to unlock your body from pain and help you move with freedom in everyday life.

MATURE STRENGTH (50+) Aimed to increase strength around all of your major muscle groups to benefit with everyday life like walking upstairs, picking things up of the ground and much more.

Mind and Body

FITBALL PILATES Incorporating elements of yoga, martial arts and other forms of exercise, this class will help improve posture, strength and flexibility while using a fit ball.

PILATES A form of exercise that will sculpt your body in a unique way. Focuses on core strength and stability. Improves posture, breathing techniques, lengthening and stretching tight and injured muscles. A must try for all levels.

SLOW FLOW Introduction to the fundamental principles of alignment and breath work in a flow of postures linked together by the breath. Students will be introduced to yoga postures through step-by-step verbal description and demonstration. This class is suitable for not only beginners, but even our advanced students will benefit from this class.

BALANCE A mind and body class that will help you increase flexibility and strength while moving through a series of stretches, poses and breathing exercises to leave you feeling centred and calm.

HOT 26 & EXPRESS HOT 26

not suitable for pregnancy

An athletically challenging series of 26 postures and two breathing exercises which are suitable for most fitness levels. Based on the Bikram Yoga format.

POWER VINYASA YOGA The room is heated to 32 degrees to aid in detoxing the body, through sweat and increased blood flow.

YIN YOGA A beautiful, quiet practice, Yin Yoga is suitable for all levels of students in a non-heated room.

BARRE Our Barre class is a total body workout – Targeting upper body and lower body with a ballet influence. The class finishes with some core and stretching.
